

- Football NSW will permit clubs/teams based within other Member Federations to submit applications for entry into Football NSW Competitions.
- All applicants are required to adhere to the application requirements for entry into Football NSW Competitions and to provide all required documentation.
- Applications from clubs/teams based in other Member Federations must include a letter of support from their Member Federation.
- Should the application meet all relevant requirements, Football NSW management will consider the application as valid and give it due consideration.
- In declaring the leagues for a Football NSW Competition, the Board of Football NSW will have sole discretion to determine if it will grant participation to the applicant.
