Schedule 9: Player Points System – Men's

General Definitions and Explanatory Notes

The following discussion points and examples are intended to provide Member Federations and National Premier League Clubs with further clarity around each of the PPS categories.

General Definitions

National Elite Pathway Team

A National Elite Pathway Team is a team which participates in the National Elite Pathway, as determined by the FA Technical Department and the Member Federations from time to time. Points are credited for the movement of Players through the National Elite Pathway.

For the purposes of the PPS, a team is a National Elite Pathway Team if they are one of the following:

- a) The Football NSW Men's NPL Player Points System applies to the NPL NSW Men's, NPL 2 NSW Men's and NPL 3 NSW Men's Competitions.
- b) The PPS distinguishes between two distinct types of NPL Club teams: those upon which an age restriction is placed (e.g. U16s, U18s, U20s) (NPL Club Age-Eligible Team) and the NPL Club's senior team, being the First Team.
- c) The PPS points cap (Points Cap) applies to each NPL Club's First Team Player Roster (First Team Player Roster) and this First Team is required to remain within the Points Cap at all times. A breach of the PPS during the season, either via fielding an ineligible player, falling below the minimum player roster, or upgrading players that result in "1st team" players in excess of the maximum, will result in a forfeit against the offending team.
- d) The maximum Points Cap is as follows for each competition:
 - NPL NSW Men's – 200
 - NPL 2 NSW Men's – 200
 - NPL 3 NSW Men's – 200
- e) The Club(s) that is promoted into the NPL NSW Men's and NPL 2 NSW Men's Competitions, NPL 3 NSW Men's Competitions will be granted a twenty (20) point deduction. This points deduction only applies for the Promoted Club's first season following promotion.
- f) Each Player is, as a starting point, attributed a points value of 10 points, after which his points value is adjusted depending on certain characteristics which result in points being added to or deducted from the Player's points value. A Player's points value cannot be less than 0 points.
- g) Promoting Players from the NPL Club's Age-Eligible Teams onto the First Team Player Roster is permitted in limited circumstances as outlined further in the Explanatory Notes and Guidelines under First Team Player Roster Requirements.
- h) The following table details the points adjustment depending on the Player's history:

Category	Points Adjustment	Criteria
Youth Player	-1 for each year the Player is under 23 years of age	<ul style="list-style-type: none"> • A Youth Player is 22 years of age or younger as at 31 December of the current NPL season. • In relation to a Player's age, one (1) point is deducted from the Player's points value for each year the Player is under 23 years of age.
Homegrown Player	-1 for each season registered with the NPL Club	<ul style="list-style-type: none"> • A Homegrown Player is a Player that has been registered for any period during a season with his NPL Club's Age-Eligible Teams. • One (1) point is deducted from the Player's points value for each season the Player was registered with his NPL Club's Age-Eligible Teams.

Explanatory Notes

NPL Club First Team Player Roster Requirements

- At all times during a NPL season, a NPL Club must include a minimum of 20 Players on its First Team Player Roster and may include a maximum of 23 Players on its First Team Player Roster.
- For the purposes of the PPS, playing in a match is defined as taking the field of play (i.e. in the starting 11 or entering the field as a substitute). For the avoidance of doubt, it will not constitute playing a match if the Player remains on the bench and does not enter the field of play.
- All Players must be registered to the appropriate age-category (where applicable). Any Player who during the NPL 2021 Season exceeds the age-limit for the oldest NPL Age-Eligible Team at an NPL Club (e.g. U20), must be included on his NPL Club's First Team Player Roster.

Youth Player

Please refer to the table below in respect to the relevant point deductions in the Youth Player category:

Player's Age as at 31 December in current NPL season	Points Deduction
22 years of age (1999 born)	-1
21 years of age (2000 born)	-2
20 years of age (2001 born)	-3
19 years of age (2002 born)	-4
18 years of age and under (2003 born)	-5

Australian Player

An Australian Player is any Player who is:

- a citizen of Australia;
- a Permanent Resident of Australia (where Permanent Resident means a person residing in Australia on a "permanent" visa class issued by the Australian Government, evidenced by either the person's Visa Grant Notice or as a listed entitlement on the person's online Visa Entitlement Verification); or
- the holder of a refugee visa, humanitarian visa or protection visa issued by the Australian government. For further details see: <https://www.homeaffairs.gov.au/>.

Visa Player

- Member Federations and NPL Clubs are encouraged to refer to the following website for further clarification regarding visas: <https://www.homeaffairs.gov.au/>.

- For the purposes of the PPS, a New Zealand Citizen is classified as a Visa Player unless he satisfies the definition of an Australian Player. Please refer to the Department of Home Affairs for further clarification regarding the visa status of New Zealand Citizens in Australia: <https://www.homeaffairs.gov.au/>.
- Any Player participating in the NPL with a A-League Club who has been permitted to play in the Foxtel Y-League as an "FYL Australian Player" will, for the purposes of the PPS, be deemed an Australian Player.

Homegrown Player

- A Player does not need to register in continuous seasons in a NPL Club's Age-Eligible Teams to be eligible for Homegrown Player points.

Example: For a Player who was registered for the NPL Club in the U14s and U16s but was not registered with the NPL Club in the U18s to U20s, a total of two (2) points will be deducted from his points value for the current season.

- A Player is eligible for Homegrown Player points at the same time as being eligible for Loyalty Player points.
- For the avoidance of doubt, a Player is eligible to receive a points deduction as a Homegrown Player where that Player was registered to the NPL Club's Age Eligible Teams, prior to that NPL Club being granted an NPL licence.

Example: Prior to Club A being granted a licence to participate in the NPL, John Smith is registered to the age-eligible teams of Club A between 2017 and 2020 in the state league competition. On that basis, a total of four (4) points will be deducted from his points value for the current season.

Loyalty Player

Example: A Player is registered with a NPL Club's First Team in 2017, 2018, 2019 and 2020 (continuous seasons). If also registered in 2021, he will be eligible to receive his first point reduction of one (1) point as a Loyalty Player in the 2021 season.

- If a Player is not registered with any Club for a season and subsequently returns to his last NPL Club, the number of continuous seasons of registering for that NPL Club will be deemed to be continuous.

Example: A Player was registered with the same NPL Club in 2017, 2018 and 2019 (continuous seasons), however was not registered with any Club in 2020. If the Player registers with that NPL Club in 2021, it will be deemed to be his fourth continuous season with that NPL Club.

- Should a Player move into a National Elite Pathway Team, the determination of the continuous seasons of service will not be deemed to have ceased if he returns to his previous NPL Club. During the Player's time in the National Elite Pathway Team, the calculation of continuous seasons of service will be suspended.

Example: Player John Smith of NPL Club A has been part of the First Team squad for three (3) continuous seasons. He then moves to a A-League Club for two (2) years and then at the completion of his stint with that A-League Club, he returns to NPL Club A. This season with NPL Club A will be deemed his fourth continuous season.

Switching Player

Example: Where a Player was registered with a NPL Club (Former NPL Club) and subsequently registers with a Club that does not participate in the NPL, A-League or FYL (non-NPL Club); and having not played for the non-NPL Club in a competitive match seeks to register with a subsequent NPL Club (Subsequent NPL Club);

- Football NSW may attribute Switching Player Points for that Player upon registration with the Subsequent NPL Club as if the Player had transferred directly from the Former NPL Club to the Subsequent NPL Club;
 - The Subsequent NPL Club may apply Football NSW to justify the reasons as to why Switching Player points should not apply.
- For the purposes of Switching Player points, played means taking the field of play (i.e. part of the starting eleven or taking the field as a substitute).
 - Football NSW has the right to determine in its sole and absolute discretion as to whether Switching Player points will apply where the Member Federation is the Competition Administrator.

- FA has the right to determine in its sole and absolute discretion as to whether Switching Player points will apply in the event that the NPL Club qualifies for the national NPL Finals Series.
- Switching Player points also apply for mid-season registrations and transfers, including a Player promoted from a NPL Club's Age-Eligible Team.
- Where a Player is promoted from a NPL Club's Age-Eligible Team (or equivalent) to a NPL Club's First Team Player Roster during the season, Switching Player Points will be applied where the Player's registration immediately prior (e.g. earlier in the 2019 season) or in the previous NPL season was with another NPL Club.
- Where a player is registered to an NPL Club's Age-Eligible team and switches to another NPL Clubs 1st Grade team regardless of that player playing in any 1st grade matches at his original club also incurs switching points
- A player that has not been registered with an NPL Club for a period of 30 months from the date the Player made his or her last appearance for a Club in a Match will not incur a switching player penalty.

Pathway Player

- A Pathway Player is subject to all other categories of the PPS (other than the Switching Player category). For example, a Pathway Player is eligible for Loyalty Player points and Homegrown Player points.
- A Player who departs a NPL Club for a National Elite Pathway Team and returns to the same NPL Club will be classified as a Pathway Player provided the Player has remained within the National Elite Pathway for the duration of their absence from the relevant NPL Club.

Example A: Player history of John Smith – Eligible Pathway Player 2018 Registered with United FC (NPL Club)

2019 Registered with Perth Glory (FYL)
 2020 Registered with Brisbane Roar (A-League)
 2021 Registered with United FC (NPL Club)

Example B: Player history of Mark Jones – Ineligible Pathway Player 2018 Registered with United FC (NPL Club)

2019 Registered with Perth Glory (FYL)
 2020 Registered with Thailand FC (Overseas)
 2021 Registered with United FC (NPL Club)

Australian Marquee Player

An Australian Marquee Player is subject to all other categories of the PPS (e.g. Homegrown Player) but will not be subject to the Switching Player category:

- (a) Subject to paragraph (b) below, a Player may only be categorised as an Australian Marquee Player in his first season with the NPL Club and for one (1) season only in his career for that NPL Club. For the avoidance of doubt, a Player is not able to be an Australian Marquee Player in his second season in the NPL with that NPL Club.

Notwithstanding paragraph (a) immediately above, if a Player is categorised as an Australian Marquee Player for an NPL Club, he then transfers as a professional to a A-League Club or overseas Club and then subsequently returns to the NPL and seeks to register for an NPL Club (either the same or different NPL Club), he is eligible to be categorised as an Australian Marquee.

Points Deduction – Youth Player Advancement

Example: A NPL Club has a U14 Player signed this season by a National Elite Pathway Team. The NPL Club can choose to have:

- (a) three (3) points deducted (-3 points) from this season's Points Total;
 (b) three (3) points deducted (-3 points) from next season's Points Total.

Points Deduction – First Team Player Advancement

Example: A NPL Club has a First Team Player signed this season by a National Elite Pathway Team. The NPL Club can choose to have:

- (a) eight points deducted (-8 points) from this season's Points Total;
- (b) eight (8) points deducted from next season's Points Total.

Points Deduction – Promoted Club

This category applies to Clubs promoted into the NPL or an entity granted a licence to participate in the NPL for the first time. This points deduction only applies for the Promoted Club's first season following promotion into, or being granted a licence to participate in, the NPL.

Schedule 10: Player Points System – Women's

- a) The Football NSW Women's Player Points System applies to the First Grade and Reserve Grade squads of the NPL NSW Women's and NPL 2 NSW Women's Competitions.
- b) The maximum points total for a forty (40) Player combined First Grade and Reserve Grade squad in the 2021 NPL NSW Women's & NPL 2 NSW Women's Competition is 480.
- c) A Club newly entering at the level of NPL NSW Women's or NPL 2 NSW Women's, either through promotion / relegation or at the invitation of FNSW independent of the previous season's results will be given an additional fifty (50) points to their PPS cap in their first season of entry.
- d) The Senior Player and Youth Player advancement points adjustments can be used either;
 - in the same season the player moves to the Pathway Program, should the move happen during the football season; or
 - in the season immediately following the season in which the player moves to the Pathway Program; or
 - in the season immediately following the move should the move occur outside the FNSW football season.
- e) Each Club will start with forty (40) players that are attributed with a points value of 12.5 points.
- f) Once a Player is added to the Senior Squad Player Roster, her points value is adjusted to 10 points, and then further adjusted depending on certain characteristics which result in points being added to or deducted from the Player's points value.
- g) A Player's points value cannot be less than 0 points.
- h) The following table details the points adjustment depending on the Player's history:

Category	Points Adjustment	Criteria

Australian Player

An Australian Player is any Player who is:

- (a) a citizen of Australia;
- (b) a Permanent Resident of Australia (where Permanent Resident means a person residing in Australia on a "permanent" visa class issued by the Australian Government, evidenced by either the person's Visa Grant Notice or as a listed entitlement on the person's online Visa Entitlement Verification); or

Visa Player

- Member Federations and NPL Clubs are encouraged to refer to the following website for further clarification regarding visas: <https://www.homeaffairs.gov.au/>.
- For the purposes of the PPS, a New Zealand Citizen is classified as a Visa Player unless he satisfies the definition of an Australian Player. Please refer to the Department of Home Affairs for further clarification regarding the visa status of New Zealand Citizens in Australia: <https://www.homeaffairs.gov.au/>.

Homegrown Player

- A Player does not need to register in continuous seasons in a Club's Youth Teams to be eligible for Homegrown Player points.

Example: For a Player who was registered for the Club in the U14's and U15's but was not registered with the NPL Club in the U17's, a total of two (2) points will be deducted from her points value for the current season.

- A Player is eligible for Homegrown Player points at the same time as being eligible for Loyalty Player points.

Loyalty Player

Example: A Player is registered with a Club's Senior Squad in 2017, 2018, 2019 and 2020 (continuous seasons). If also registered in 2021, she will be eligible to receive her first point reduction of one (1) point as a Loyalty Player in the 2021 season.

- If a Player is not registered with any Club for a season and subsequently returns to her last Club, the number of continuous seasons of registering for that Club will be deemed to be continuous.

Example: A Player was registered with the same Club in 2017, 2018 and 2019 (continuous seasons), however was not registered with any Club in 2020. If the Player registers with that NPL Club in 2021, it will be deemed to be her fourth continuous season with that Club.

- Should a Player move into a Pathway Program, the determination of the continuous seasons of service will not be deemed to have ceased if she returns to her previous Club. During the Player's time in the Pathway Program, the calculation of continuous seasons of service will be suspended.

Switching Player

- Football NSW has the right to determine in its sole and absolute discretion as to whether Switching Player points will apply.
- Switching Player points also apply for mid-season registrations and transfers, including a Player promoted from a Club's Youth Teams.
- Where a Player is promoted from a Club's Youth Team to a Club's Senior Squad Player Roster during the season, Switching Player Points will be applied where the Player's registration immediately prior (e.g. earlier in the 2021 season) or in the previous season (2020) was with another NPL NSW Women's and NPL 2 NSW Women's Club.
- A player that has not been registered with an NPL Club for a period of 30 months from the date the Player made his or her last appearance for a Club in a Match will not incur a switching player penalty.

Pathway Player

- A Pathway Player is subject to all other categories of the PPS (other than the Switching Player category). For example, a Pathway Player is eligible for Loyalty Player points and Homegrown Player points.
- A Player who departs a Club for a Pathway Program and returns to the same Club will be classified as a Pathway Player provided the Player has remained with the Pathway Program for the duration of their absence from the relevant Club.
