Schedule for Association Payments of Football NSW Fees

Initial payment

- Associations to pay 60% of the 2023 total registration fees by 30 April 2023 (the Tax Invoice for this 60% payment will be issued by Football NSW based on the new fee multiplied by 60% of the relevant Association's 2022 registration numbers);

Final payment

- Registration data will be sent to Associations for confirmation by 7 July 2023;
- Confirmation of registration data to be returned to Football NSW by 28 July 2023;

Identifying players to be counted for billing*Deregistration Deadline:*

We have set a Deregistration Deadline of 30 April 2023 – if a player’s deregistration is completed on or prior to 30 April 2023, we will not count them in their Association’s billing total and will not bill the Association for their registration.

Counting process:

In counting the player data as at 30 June 2023, we will:

1. Count all Registered players – up to and including 30 June 2023;
2. Count all Deregistered players whose date of approved deregistration is later than the Deregistration Deadline (30 April 2023), and;
3. Count all players whose registration is Pending (Approval Required) or Pending (Awaiting Payment) as at 30 June 2023. We will issue guidance to clubs to ensure that they either approve or decline any pending registrations to ensure that they are accurately billed.

In order to ensure that we do not bill multiple times for any one player, we only bill the last billable registration for any player (i.e., the registration with the latest registration date).

Given that we will only bill the latest billable record, if a player registers with Club A, de-registers, and subsequently registers with Club B, we will bill against the registration at Club B.

Once we arrive at a final total player number for each Association, we will then multiply these player numbers by the above fees to arrive at our billing totals.
