EXPLANATORY NOTES

Senior Squad Player Roster Requirements

- At all times during a season, a Club may include a maximum of 40 Players on its Senior Squad Player Roster.

Australian Player

An Australian Player is any Player who is:

- (a) a citizen of Australia;
- (b) a Permanent Resident of Australia (where Permanent Resident means a person residing in Australia on a “permanent” visa class issued by the Australian Government, evidenced by either the person’s Visa Grant Notice or as a listed entitlement on the person’s online Visa Entitlement Verification); or
- (c) the holder of a refugee visa, humanitarian visa or protection visa issued by the Australian government. For further details see: <https://www.homeaffairs.gov.au/>.

Visa Player

- Member Federations and NPL Clubs are encouraged to refer to the following website for further clarification regarding visas: <https://www.homeaffairs.gov.au/>.
- For the purposes of the PPS, a New Zealand Citizen is classified as a Visa Player unless she satisfies the definition of an Australian Player. Please refer to the Department of Home Affairs for further clarification regarding the visa status of New Zealand Citizens in Australia: <https://www.homeaffairs.gov.au/>.

Homegrown Player

- A Player does not need to register in continuous seasons in a Club’s Youth Teams to be eligible for Homegrown Player points.

Example: For a Player who was registered for the Club in the U14’s and U15’s but was not registered with the NPL Club in the U16’s, a total of two (2) points will be deducted from her points value for the current season.

- A Player is eligible for Homegrown Player points at the same time as being eligible for Loyalty Player points.

Loyalty Player

Example: A Player is registered with a Club’s Senior Squad in 2021, 2022 and 2023 (continuous seasons). If also registered in 2024, she will be eligible to receive her first point reduction of one (1) point as a Loyalty Player in the 2024 season.

- If a Player is not registered with any Club for a season and subsequently returns to her last Club, the number of continuous seasons of registering for that Club will be deemed to be continuous.

Example: A Player was registered with the same Club in 2020, 2021 and 2022 (continuous seasons), however was not registered with any Club in 2023. If the Player registers with that NPL Club in 2024, it will be deemed to be her fourth continuous season with that Club.

- Should a Player move into a National Elite Pathway Team, the determination of the continuous seasons of service will not be deemed to have ceased if she returns to her previous Club. During the Player’s time in the National Elite Pathway Team, the calculation of continuous seasons of service will be suspended.

Switching Player

- Football NSW has the right to determine in its sole and absolute discretion as to whether Switching Player points will apply.
- Switching Player points also apply for mid-season registrations and transfers, including a Player promoted from a Club’s Youth Teams.

- Where a Player is promoted from a Club's Youth Team to a Club's Senior Squad Player Roster during the season, Switching Player Points will be applied where the Player's registration immediately prior (e.g. earlier in the 2024 season) or in the previous season (2023) was with another NPL NSW Women's, FNSW League One Women's, or a Club from an equivalent Member Federation Competition.
- In accordance with clause 4.5 of the FA National Registration, Status and Transfer Regulations, a Player will remain registered with FA for a period of thirty (30) months from the date the Player made his or her last appearance for a Club in a Match. A Player who has been inactive for this thirty (30) month period will not incur Switching Player points should they then register with another NPL/Leagues Club following this period.

Pathway Player

- A Pathway Player is subject to all other categories of the PPS (other than the Switching Player category). For example, a Pathway Player is eligible for Loyalty Player points and Homegrown Player points.
- A Player who departs a Club for a National Elite Pathway Team and returns to the same Club will be classified as a Pathway Player provided the Player has remained with the National Elite Pathway Team for the duration of their absence from the relevant Club.
