Overview

Football NSW is excited to announce the 2024 Edition of the Football NSW Futsal Schools

Championships. The FNSW Futsal Schools Championships are a unique opportunity for your school to participate in an exciting competition against a variety of different schools (State, Private, and Independent Schools). We are excited to be delivering the 2024 edition of the Futsal Schools Championships.

These championships are a great way of exposing both new and current players to the fantastic game of Futsal in a safe and enjoyable environment. It is also an opportunity for students to stay healthy, socialise and make new friendships. In addition, the championships expose teachers to the sport, and provides coaching and networking opportunities.

With participation being the priority, all teams are guaranteed a minimum of 3 games at each event. However, the winners are recognised as champions, with an automatic qualification to the 2024 Futsal Schools State Championships later in the year. If space permits, there will be an opportunity for Wildcard entries to the State Championships. Winners and runners up of each region are also presented with medals to acknowledge their efforts.

In 2024, the following competitions will be on offer:

Primary

The FNSW Futsal School Championships are a pinnacle event in the sporting calendar, and FNSW is very proud to be delivering this long-standing competition to schools. In 2023, we hosted 1468 teams, as well as over 11,750 players! At Football NSW, we value the support and relationships we have with schools, and we hope to continue to be able to provide players and schools an exciting Futsal experience once again in 2024.

Competition Format

All schools are eligible to enter one (1) or more teams per age group in any of the Regional Championships. Teams may enter multiple Regional Championships if they wish. The team may only comprise of students that are currently enrolled in and attending your school. This provides schools with the opportunity to play against schools from different regions. If insufficient teams are nominated in anyone-age division, then teams nominated shall have the option of being grouped with the next compatible division. **Maximum of ten players per team (12 players for State Championships).** It is anticipated the competition will commence at 8:30am daily and be completed by 4.00pm. However, this is just an estimate and schools will be provided with exact details after their respective registrations close.

Forfeits

As you would be aware, administrating a sports competition involves extreme organisation. For Football NSW to provide your team with a competition we must book and commit to the payment of pitches, referees, and competition coordinators. These costs do not change if your team fails to show for their game (i.e. forfeit). By virtue of the fact that you have registered your team for the competition you are therefore committed to the games indicated on the draw and the associated costs. Therefore, if your team forfeits you will be liable for payment of the normal team entry fee.

- Please ensure that the correct email address and **mobile** phone number is supplied in the registration process to allow for direct contact by Football NSW if required.

Please Note:

The draw may be subject to change after distribution due to withdrawals or other unforeseen circumstances. All teams should therefore check-in at the main Administration desk before their opening game on the day of the Championship to determine if an amended draw has been issued.

Small Schools

Schools with **less than 100 students** may combine with another small school (**less than 100 students**) to make a team or teams for the Schools Futsal Championships. The contact person must notify the Football NSW of the two small schools that are combining, and it must be clearly noted on the entry form.

- Short and Socks being the same colour or shade of colour being consistent to the teams uniform.
- Players are required to wear all items of the basic equipment for each match.

Jewellery and Glasses

- No jewelry is to be worn at any time during a game. It is up to the discretion of the referee to advise you to remove all jewelry.
- Players are permitted to wear sports goggles, sports glasses and sports sunglasses as long as the glasses pose no danger to the player wearing the glasses or any other player on the court. This is also up to the discretion of the Referee and Football NSW staff to determine that the eyewear is safe or unsafe.

Player Registration

FNSW asks that these lists are completed and returned prior to the competition so the team sheets can be pre-filled prior to the start of the competition. (If a school does not have numbered jerseys, a number will be assigned to a player and written on his or her hand to be used throughout the day).

Late Arrival & Forfeits

If a team is more than 5 minutes late to their scheduled game and we are unable to find a rescheduled timeslot later in the day, the game will be deemed as a forfeit. 3 points and 3 goals will be awarded to the winning team in a forfeit.

Duration of Match

- Duration of the match will vary depending on how many entries Football NSW receive for a particular region.
- Each region will be capped at a certain number to ensure all schools get enough playing time.

- The number of team submissions will determine if we have enough time to incorporate a half-time interval, otherwise, the fixtures will be played through one (1) straight period with no half-time.
- Teams will be notified of the match duration in the email with the fixtures for the competition.

Competition Point System

In preliminary rounds, points will be allocated as follows: -

Win - 3 Points

Draw - 1 Point

Loss - 0 Points

Bye - 0 Points

Forfeit - 3 Points and +3 goals to the team receiving the forfeit.

Quarters/Semi/Final Qualifications

- After the round games have been completed, the points are tallied.
- If there are multiple teams on the same points who have a chance at qualifying for quarters/semis/finals positions will be determined on goal difference (goals FOR, minus goals AGAINST).
- If teams have the same goal difference, positions will be determined by the number of goals FOR.
- If goals for are the same, positions will be determined by the lesser number of goals AGAINST. • If all the above are the same, positions will be determined on the match result when/if the teams in question played against each other in the round games (head-to-head).
- If still no determination can be reached, positions will be determined by a penalty shootout.
- In the case of determining best 1st, 2nd or 3rd, if all groups have even numbers and equal number of games played - it will be decided by who has the most points. If groups are uneven and some teams have been played less games, we will calculate each team's win percentage (points gained out of points available).

Extra Time

- Only in quarterfinals, semis and finals will extra time be played.
- Extra time will consist of **ONE** 3-minute period of golden goal (first team to score wins).

Determining the Winner by Penalty Kicks

- After the three-minute period, should neither team have scored, the game will then proceed to a penalty shootout.
- Five alternate kicks from the penalty mark shall be taken to determine the winner.
- The shootout may finish before 5 penalty kicks each if it is mathematically not possible for a team to recover and level the goals scored of the opponent.
- If scores are level after 5 penalties each, sudden death will occur – which is one kick each team and if one team scores and the other misses the game will be finished.
- Substitutes can take a penalty kick in the shootout.

The Bench

- The bench must only consist of the players on the team sheet, coaches and teachers.

- Under no circumstances are other members of the school, parents & siblings, etc. allowed to be on the bench. They will be asked to leave. If they refuse to vacate the area, the match will be suspended and/or terminated. This is up to the discretion of the referee and Football NSW.

Disciplinary Cards

- A red card holds an automatic one match suspension. Football NSW has the authority to increase the suspension dependent on the severity of the offense.
- Three (3) yellow cards in the same competition for the same player will result in a one (1) match suspension.

Match Fixing

- If it is suspected that match fixing is taking place during a game, the referee will abandon the game AND nil points will be awarded to either team.

Futsal Schools Championships Basic Laws of the Game

Substitutions

- Up to 10 players can be used in one match (12 for the State Championships).
- There is no limit on how long a player must stay on or off the pitch.
- You do not need to ask the referee to stop the game to make substitutions. It is running subs, where players must enter and leave the field of play at the same time - from in the substitution zone (normally on the sideline near the bench).

Kick In

- To restart the game after a ball has gone out of play, the ball is kicked back into play from the touchline and from corners.
- The ball must be placed stationary on the touchline.

The Four Second Rule

- For all restarts of play (kick-ins, free kicks, goal clearances and corner kicks) the player in possession of the ball has 4 seconds to restart play.
- The referee will count to 4 and make it visible for the players with their hands.
- If play isn't restarted within four seconds, possession is surrendered to the opposing team.
- The goalkeeper is not allowed to control the ball for more than 4 seconds in his/her own half.

The Five Metre Rule

- Players are required to keep 5m from the player in possession of the ball on free kicks, corners, goal clearances, kick-ins, 10m penalties, and direct penalties.

Goalkeepers

- Goalkeepers can come out of the penalty area and players are allowed to go into the penalty area.
- A Goal clearance from the goalkeeper must be thrown, but the goalkeeper can use their feet to distribute the ball from open play.

Back Passes (Two Touch)

- Once the goalkeeper has played the ball, he/she cannot touch the ball again until it touches the opposition, or the ball goes out of play – in which case the goal keepers back pass will reset.
- The goalkeeper is allowed to receive the ball in the opponent's half unlimited times.

Red Cards

- If a player receives a red card, that player is sent off and will have to leave the field of play. They are not permitted to play for the rest of the match.
- The team with the red card will have to play with 4 players on the court (3 field players and 1 Goalkeeper) for a total of 2 minutes, or until the opposition score a goal. If the opposition score a goal or the 2-minute timer elapses, the team who received the red card can send on a new player to go back to 5 players.
- Red cards carry an automatic one (1) game suspension (following the fixture they were sent-off in). It is up to the discretion of Football NSW to upgrade the suspension if the action was deemed serious enough to do so.

Accumulated Fouls

- Each DIRECT free kick will result in an accumulated foul, and teams are allowed to accumulate 5 fouls in each half without further punishment. INDIRECT Free-Kicks DO NOT count towards accumulated fouls.
- Then on the sixth foul and every foul thereafter, a direct kick from the 10m penalty spot will be awarded to the opposing team. The defending team is not allowed to position any players (other than the goalkeeper) between the ball and the goal. The Goalkeeper must does not have to remain on their line for 10m penalties, but they must remain 5m away from the ball.
- The kick may be taken from the 10m mark or, if the foul was committed closer to the goal than the 10m mark, then the kick may be taken from the position where the foul took place.
