

Club Technical Development Coordinator

Are you passionate about driving football development and creating high-performance environments within youth football? Football NSW is seeking a dedicated Club Technical Development Coordinator to support our mission of fostering football talent and empowering clubs to achieve excellence.

About the Role

As the Club Technical Development Coordinator, you will play a pivotal role in delivering the Club Standards & Benchmark framework across the Girls Youth League (GYL) and Junior Development Leagues (JDL). You will work directly with clubs, supporting their technical development and helping to build capacity and capability in areas such as youth development plans, coach education, and football operations. By working closely with the Football NSW Technical Department, you'll help shape the future of football in NSW.

Key Responsibilities:

- Conduct club visits to implement and support the Club Standards & Benchmark framework.
- Evaluate training sessions and matchdays, providing constructive feedback.
- Collaborate with the Technical Department to design and deliver workshops and educational events.
- Work with the Competitions Department to advise on league improvements for youth participants.
- Support coach education events and courses across NSW.
- Assist with the delivery of talented player pathway programs such as TSP, TDS, NYC, and Future Sapphires.

About You

You are passionate about football and have the technical knowledge and experience to support club development. You thrive on collaboration and communication, building strong relationships with a wide range of stakeholders. You are organised, results-driven, and committed to creating the best possible environment for young footballers to succeed.

Required Qualifications and Experience:

- AFC/FA B Diploma (essential)
- Extensive knowledge in Skill Acquisition and Game Training Phases
- Proven experience working within a football club in NSW
- Strong organisational, communication, and analytical skills
- Proficient in Excel and database management
- Current driver's license and Working with Children Check

Desirable:

- AFC/FA A Diploma or higher
- AFC/FA Coach Education Tutor (CET)
- Experience implementing standards-based programs in a sports environment

Why Join Us?

At Football NSW, we offer the opportunity to make a real difference in the future of football. You'll be part of a passionate team that is dedicated to growing the game from the grassroots up. We offer a competitive salary, the chance to work in a dynamic environment, and support for your professional development. Some weekend and evening work is required, with time in lieu available by agreement.

How to Apply

If you're ready to take the next step in your football development career, apply now through SEEK with your CV and cover letter.
