Important Information

Football NSW Capitation Fee, FA National Registration Fee, and Insurance Fee

The Football NSW Capitation Fee represents the financial contribution registered participants make to Football NSW to enable it to provide a wide range of programs, benefits and services to them and to the broader football community.

Additionally, the Girls' Youth League FNSW capitation fee has increased by \$20. The fee is to support the implementation of the Club Standards Framework as an outcome of the Girls' & Women's Competition changes for the 2025-2026 season. It is likely that a similar adjustment will take place ahead of the 2026 season in the Boys' Youth League Competitions.

Football Australia (**FA**) is yet to advise if they will be increasing the National Registration Fee (**NRF**) for the 2025 season, so the tables above assume show the 2024 NRF of \$14.50 for Juniors, \$34.00 for Seniors and \$67.50 for Professionals.

Capped Player Registration Fees

Clubs participating in Football NSW Competitions are required to comply with the capped Player Registration Fees set by Football NSW for certain competition and age grades.
