Important Information***Football NSW Capitation Component, Insurance Component and FA National Registration Fee***

The Football NSW Registration Fee represents the financial contribution registered participants make to Football NSW to enable it to provide a wide range of programs, benefits and services to them and to the broader football community.

The Football NSW Registration Fee is made up of an Insurance Component and a Capitation Component.

The Insurance Component is the amount that we collect from each participant in order to cover the cost of the Football NSW Insurance Program which provides benefits including Personal Accident cover. The Capitation Component goes towards covering all of the other costs incurred by Football NSW in delivering services to its membership.
