

POSITION DESCRIPTION

POSITION TITLE:	Club Technical Development Coordinator
REPORTING LINE:	Club Technical Development Manager
DEPARTMENT NAME:	Technical Department
FUNCTIONAL RELATIONSHIPS:	Head of Football Development, CEO, Competitions Department, Clubs
SUPERVISORY RESPONSIBILITIES:	Technical Advisors
POSITION TYPE:	Permanent - Full time

Football NSW is committed to the implementation of the Club Standards & Benchmarking framework across Junior & Youth Clubs within the Talented Player Pathway.

The Club Standards & Benchmark framework aligns with key focus elements of the Football NSW Strategic Plan to produce football talent and provide leadership to Clubs with the aim to make FNSW the most effective youth system in Australia.

The introduction of the framework will enable Football NSW to cater for the individual needs of Clubs within our football ecosystem and enable them to lead football development across all levels of the game. The Football NSW Technical Department will visit Club trainings and matchday during the season to support the growth and development of their program as well as meeting with Clubs and their members regularly. The framework will empower Clubs to create best practice environments for their players and coaches in support of retention, producing talent and making Australia an internationally competitive football nation.

The Club Technical Development Coordinator will be directly involved in supporting Clubs technical development including elements such as their Youth Development Plan, Football Operations, Coach Development Plan and Player services, along with the delivery of Club Capability building workshops/events and relevant coach education events and courses. This role is critical to the growth of high performing football environments within our talent player pathway club landscape and will play a key role in building capability and capacity of JDL, GYL & BYL Clubs in NSW.
